

COPERNUS
FRESH FISH

SUEMPOL

**CATALOGUE
OF PRODUCTS**

**SALMON • COD • SEA BASS
• HADDOCK • HAKE • COLEY**

COPERNUS IS...

One of the largest suppliers of chilled, frozen and cold smoked fish to both the UK and international retail markets - and quite frankly it's something we are pretty proud of here in Hull.

FROM 2024 WE ARE PART OF SUEMPOL FAMILY!

OUR CERTIFICATES

We pride ourselves on ethically sourcing and supplying fish from sustainable waters. We hold every part of our supply chain accountable when it comes to playing their part in protecting our oceans for future generations - that's why all of our farmed fish is ASC, Global GAP or RSPCA assured, and our wild caught fish is MSC accredited.

OUR COMMITMENT

to society and the environment is at the centre of our business ethic. We take our responsibilities seriously and we empower our people to make a real difference through every aspect of their work.

OUR CULTURAL AND OPERATIONAL MODELS

are framed completely around the needs of our customers and our business is underpinned by long-standing family values – honesty, integrity and transparency.

SALMON

**FRESH
COLD SMOKED
ADDED VALUE**
